Our Child Safety Policy is as follows: Children 48 inches and under are issued a red wristband. Red wristbands are indicators to the lifeguards that the child is a non-swimmer. The non-swimming child also is issued a Coast Guard-approved life jacket that must be worn at all times. Should the guardian elect to remove or not utilize the life jacket, the child must remain within arm’s reach of the guardian at all times. Children who pass a swim test are issued a green wristband. Any child can be asked to perform a swim test during any visit should a lifeguard deem it necessary. An adult must accompany children under age 13. Children 2 and under are free.

Members may bring 2 guests per person or four per family. Guest fee is $5.00 for adults 18 and over and $3.00 for children 3-18.
