

HOW TO APPLY FOR TRANSFER STUDENTS

1. Complete an application for admission. You can use the TLU Application at apply.tlu.edu/apply, the Common Application at www.commonapp.org, or ApplyTexas at www.applytexas.org. Complete only one application or there may be delays with your file.

2. Write a personal essay. You can use the essay prompts on the TLU Application, Common Application, or ApplyTexas or submit your own essay or graded writing sample to applicant@tlu.edu. Please take the time to write an essay with at least 500 words.

3. Submit official transcript(s) from every institution attended. Even if no credit was earned, a transcript is required. This includes dual credit.

4. Submit an official high school transcript. This is only required for students who have graduated within the last five years, or who have fewer than 24 hours of university-level coursework.

5. Fill out TLU's transfer addendum. A link to this form will be sent to you through email after you apply. The addendum will ask you questions about your most recent institution.

Note: Transfer applicants with fewer than 15 semester hours of university-level work must submit official SAT or ACT test scores. Veteran applicants should submit a DD 214 and a military transcript.
